

ADAC FAHRSICHERHEITZENTRUM NORDBAYERN

The ADAC driving training center is a congress and experience location at the same time. The center is a multifunctional venue for in- and outdoor activities. The site offers an excellent area for automotive performances, but also all kinds of events needing more space will find matching conditions here. The special feature about this location is the perfectly combined in- and outdoor area. Therefore numerous events that require indoor rooms and/or outdoor venues at the same time can be held here. Modern meeting- and congress rooms are complemented with an attractive event hall.

RANGE OF EVENTS	Company celebrations, conferences & congresses, customer events, driving events, evening events, exhibitions & presentations, incentives, seminars, standing receptions, weddings
CATERING	The team of our restaurant cares for the well-being of the customers in the driving training center. It offers individual catering from the simple snack up to high level menus. In summer a special highlight is the barbecue buffet on the solar patio with a nice view over the whole location.
ARRIVAL & PARKING	The ADAC driving experience center is conveniently situated, approx. 1 km of the motorway exit Schlüsselfeld BAB 3 (Erlangen-Würzburg). About 200 parking sites are available right in front of the hall. If more parking sites are needed, we have complementary possibilities.
